

NORTHERN LARIMER COUNTY HABITAT PARTNERSHIP PROGRAM
COMMITTEE PROJECT EVALUATION

Project Name: _____

Date of Committee Review: _____

1. Which of the following priority issues identified by the HPP Committee does this project address (water resource optimization, endangered species habitat, chronic wasting disease, improvement to vegetation conditions, wildlife management, small acreage development and conflict, fence damage, fire management)?

2. Does the project contribute to creating a balance in HPP projects that are funded based on geographic distribution? Project type? Urgent needs vs. long-term goals?

3. To what extent does this project directly benefit wildlife and wildlife habitat?

4. Is the dollar amount requested reasonable? To what extent are there in-kind contributions, cost-sharing and other partners? How will other partners benefit?

5. Is the timeframe for completion of the project reasonable and acceptable?

6. Are on-going maintenance costs reasonable and will the applicant have dollars set aside to maintain structures/amenities, etc.?

7. Does this project meet all legal, governmental and other jurisdictional requirements?

Rate this project as compared to other HPP funded projects:

_____HIGH _____MEDIUM _____LOW
